FINANCIAL REPORT

Treasurer Christy Everman provided an update to the Commission on the month of April financial report which included “the bills to be paid” and the balance sheet. She mentioned everything looked to be in order. The most recent bill from Rumpke Waste and Recycling reflected a credit. The credit was a result of a recent discovery by the city where they were mistakenly charged for multi-family units. Interest earned in the month of April was \$12,500 at a rate of just over 4%. Treasurer Everman mentioned the process for amending the 2024-25 Fiscal Year budget is in process and those numbers will be provided at the next regular meeting.

Mayor Solomon mentioned an adjustment will be made within the budget for line items where there is no money being disbursed so the funds can be used towards overages and other line items.

PWD Kremer mentioned there are two full-depth repairs needed, one on Chris Court because the pavement has sunk 4.5 inches and the other one is on Old Union Road North due to excessive potholes.

Mayor Solomon suggested using Municipal Road Aid funds to make the repairs on Chris Court and Old Union Road North. The start of the project will be dependent on the schedule of the contractor.

PWD Kremer explained there are three old utility poles on the Southwest corner of Union Town Square needing to be removed. Duke Energy is ready to remove the power lines and utility poles but first there are trees that will need to be cleared before they can access the poles. The city will hire Land Clearing Services to remove the trees for \$1,200.

MKSK is working on final design for the stage at Union Town Square. PWD Kremer explained to the Commission there needs to be a decision on if a wall should be included to the back of the structure. The Commission agreed to include the wall.

ADMINISTRATOR'S REPORT

Union Promenade Sign Permit Application

City Administrator (CAO) Amy Safran mentioned there was a sign permit application for McAlister's Deli at Union Promenade. The signage includes directional signs, pick up window signs, and door signs. Commission approval is being sought for Mayor Solomon to sign the application prior to being sent to Boone County Planning Commission for their review process.

Mayor Solomon asked for a motion giving him permission to sign the permit application. Commissioner Eldridge made a motion and Commissioner Tuyn seconded that motion.

Motion approved 4-0

CAO Safran gave an update and shared images with the Commission of Ace of Fades and Luxe Suites Salon signs in Union Promenade provided by the developer. The images showed the completed design and illumination piece between the mount and the brick wall.

Special Sign District Zoning Map

CAO Safran explained there was previous discussion by the Commission of painted signs on brick at Union Promenade. Upon review with Michael Schwartz at the Boone County Planning Commission (BCPC) it was discovered painted signs are not prohibited. If the Commission would like to add something prohibiting a certain type of signage there would need to be a zoning map amendment process with BCPC. The cost would be approximately \$3,700 to submit the application to amend the Special Sign District.

The full Commission agreed not to change the Special Sign District Zoning Map.

Wayfinding Sign

CAO Safran gave an update from a discussion at a previous Commission meeting regarding a request for a directional sign from an organization on Union School Road. The Commission discussion led to other options for signage including a wayfinding sign. This would give an opportunity for other businesses on Old Union Road and the Old Business District to participate if they chose to. CAO Safran shared a design rendering from Cincinnati Custom Sign that was based upon a style agreed to by the Commission. The estimated cost for a multi-tenant single pole sign with ten name plates is \$12,317.73. She explained prior to the sign being made the city would need to get a commitment from the businesses in the Old Business District.

The Commission agreed that the Communication Committee will survey the businesses in the Old Business District to see who would be interested in purchasing a name plate on a wayfinding sign.

COMMUNICATIONS COMMITTEE REPORT

Commissioner Eldridge mentioned Union Celebrates America will be June 27, 2025. The theme for this year's event is Heros Throughout Time.

Recycling Survey

Communications Coordinator Jaime Lyons gave details of a recent survey that was conducted after discussion regarding recycling at the last Commission meeting. She explained that the survey showed 72% of Union residents participate in the recycling program, and 28% do not participate. Only 10% of residents stated they never recycle.

Mayor Solomon explained that the City of Union is unique in that they pay for garbage and recycling collection for residents using tax dollars.
