July Public Works Updates

Roads & Parks

Last week we repaved eight city streets as part of our annual street repair program; some finishing work remains to be completed such as replacing two speed humps and edge tar along the curb line. On August 4th, we are also planning to reseal the multi purpose path between the Lassing Green subdivision and the Ryle High School campus.

Earlier this week we finally got the water tap installed at Cardinal Pocket Park! Once we get the water meter installed, we'll finish the park with the final plantings, install
