May Public Works Updates

Roundabouts and Pocket Parks Oh My!

The City of Union received a state permit to install landscaping in our two roundabouts along Hwy 536. We've already started work on the Hathaway roundabout and hope to be complete by the end of the month. The larger roundabout along Mt. Zion will take a little longer to plan. Pocket Park 1 (aka Cardinal Park). Our first pocket park's final phase of construction has begun! Our contractor is currently preparing the ground for sidewalk installation. This project should be complete in about a month, although the rains have been challenging our schedule.

What's Coming to the Promenade?

Cincinnati Children's is
officially open! That and

several new businesses will be open soon including Tropical Smoothie by May 23rd.
