Union Trick-or-Treat

Calling all ghouls, goblins, and things that go bump in the night! The city of Union's TRICK-OR-TREAT schedule is set for HALLOWEEN night from **6-8PM**.

If you are joining in on the spooky fun, please turn on your porch light to welcome the little monsters and be cautious of the spooky trick or treaters if driving at those hours. Let's have a frightfully fun and safe evening for all!

Thank you to all that joined us for our 3rd annual Bourbon in the Bluegrass on October 5. We couldn't have asked for a better day with better company. We appreciate our community support and look forward to seeing you next year!

Our largest city-led construction project continues to be the Brilliance Ave Road Extension. We are over 75% complete on the project but are also in the middle of a key milestone which is to replace the Brilliance/Melody Drive intersection. The project is under way and hope to reopen the route to traffic by soon. Sidewalks, landscaping, ADA ramps, and more will soon follow over the next month.

Sweet Harmony's new sidewalks have been installed. Pavement repair in Treamore subdivision will be fixed before winter arrives.
